

## Norton Nippers Reports 2024

This toddler group runs weekly in the Parish Hall for children 0-4. Age-appropriate toys are put out for the children and there is always a craft activity. Along with this we have different sensory activities for the children. One area of the hall is set up for mums / dads/carers and babies while the remainder of the hall has toys for the rest of the toddlers. To create variety, we work on a two-week cycle of different toys.

At the end of Nippers, we have a time of singing nursery rhymes, and we then say a prayer with the prayer bear and sing a song about Jesus.

Throughout the afternoon refreshments are available for adults and children, ably served by Judy.

We are part of the Herts Baby and Toddler Network who offer support and ideas for running our group.

I would like to thank the group of helpers who enable Nippers to take place. The Lord has greatly blessed us in this work, and it is wonderful to have contact with so many families.

Susan Taylor
