

## **Social Committee**

The Social Committee is a small and dedicated team, varied in age and abilities, which puts on as many events as it is able to, in the course of the year. We plan our calendar annually in advance and our events are all well supported and appreciated. We are self-funding and monies taken at events via ticket sales, raffles and donations fund each subsequent event. In the past year we have organised two Beetle Drives with jacket potato suppers, a Harvest Lunch, the Annual Quiz, our very popular Christmas Cheers event and the Maundy Thursday Supper. We are looking forward to organising the welcome reception for our new Vicar, Eugene and his family, in July. Our plans are underway for the autumn, when we hope to host some new events along with some old favourites. Our motivated team works well together to create a friendly and welcoming atmosphere and provide something for everyone.
