

## Prayer Meeting Report 2024

The present prayer meeting was started in 2022 following the churches participation in *Leading Your Church into Growth*. One of the things coming from that was the need to pray more as a community.

We meet once a month on a Wednesday evening in the Lady Chapel to pray for the needs of our parish, local community, country and wider world. Themes we have followed since the last APCM are:

- The Light of the World
- God our Father
- The Trinity
- 'I am' sayings of Jesus
- God of peace
- God of Diversity
- Remembrance
- God keeps his promise
- God our teacher
- God our Redeemer
- God our Joy giver

There are times of 'open prayer', although there is no compulsion to pray aloud, and times of reflection. Sometimes we listen to a hymn or Christian song.

These meetings are designed to encourage us in our relationship with Jesus and as a Christian community. It is so important to pray together as well as individually, so if you have not yet come along, I would like to encourage you to join us in the future.
