

## Sunday Dragons (Sunday School)

We came to a decision last Summer to relaunch in a new way come September. We meet once a month in the church hall, and it is a joint session with Dragon flies, so ages 0-11. These sessions are run similar to messy church, so are for the whole family to attend, although parents of over 3s are welcome to leave them and attend the service. We do a different theme each time, currently we are doing different bible characters , such as Esther, Daniel, David and Noah.

We have different activities ranging from Duplo and Playdoh, to different crafts, and always a food craft. We pause in the middle for a story and a song, that helps us get to know the characters even better.

We finish in church for Communion, and also provide refreshment after the service. We have a team of 10 of us, and we usually welcome between 15-20 children and their families.

We also put on an event for Good Friday
